Examples of which are demonstrated in the Occupancy and Admission Policy and the Pet Policy in particular. The institution of flat rents willallowincomemixingtobeachievedandthereforea de-concentrationofpoverty. -TheHousingAuthority Description of Resident Partnership and Summary of General Issues believes that it has developed a strong working relationship with the residents of the Housing the RC). The RChasheld residents meetings at each AuthoritythroughtheResidentsCouncil( of the projects; provided and compiled resident surveys; informally met with the Executive Director and staff throughout the year; and formally met with representatives of the Housing Authority. The con cerns of the RChave been integrated into this plan.
